

Business Valuation Discounts And Premiums

[DOWNLOAD] Business Valuation Discounts And Premiums. Business valuation is a process and a set of procedures used to estimate the economic value of an owner's interest in a business. Valuation is used by financial market participants to determine the price they are willing to pay or receive to effect a sale of a business. In addition to estimating the selling price of a business, the same valuation tools are often used by business appraisers to ... Business Valuation Wikipedia
