

# The Annual Register

[DOWNLOAD] The Annual Register. The Annual Register (originally subtitled A View of the History, Politicks and Literature of the Year ...) is a long-established reference work, written and published each year, which records and analyses the year's major events, developments and trends throughout the world. It was first written in 1758 under the editorship of Edmund Burke, and has been produced continuously since that date. The Annual Register Wikipedia
